

“I had so much fun purging my closet and buying new clothes with Lisa. I was exhausted after the first run at my closet, but it was well worth it. I feel like a new woman!

Lisa helped me put together outfits that I never would have thought of before. She recognized my style very quickly and gave me great ideas and encouragement to push me out of my comfort zone. She introduced me to new stores that I had not thought of trying, and saw possibilities in my existing wardrobe that I didn't see before.

Lisa has tons of energy and made the experience quick and painless while having a lot of fun at the same time. I am so happy with the new me. ” ~ Laura, Insurance Industry Professional
